### ARE YOU WEARING YOUR MASK CORRECTLY?

Please remember that the COVID pandemic is not over. Some of our parishioners are not wearing masks appropriately when inside the church. We are heading into Flu season and Peel Public Health wants us to help break the chain of infection – flu or covid!

*Don't forget to follow the now familiar routine:* Sanitize your hands, wear a mask, sit on indicated pews, for communion make a single line in the middle of the aisle starting from the back pews, follow the instructions of the ushers, spray your seat before you leave, entrance at main doors, exit at two side doors.

We must ALL comply with the guidelines. There are a persistent few who have been causing concern. The consequences of repeated complaints about failure to comply with these masking guidelines may potentially lead to the closure of our church.

***Please wear your mask and wear it properly throughout Mass!***

If you are unable or unwilling to completely follow the guidelines for masking and sanitizing, remember that Cardinal Collins continues to dispense the faithful from their Sunday obligation. If you are symptomatic, have a compromised immune system or have a greater risk of infection, please stay home.

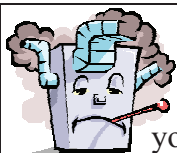

**Thank You**  
for your generosity

Today we hail Christ as our King. He is the Victor over the power of death Who loves us and freed us from our sins by His own blood, and Who by Baptism has made us a royal nation of priests in the service of His Father and our God. He Who is King continues to choose men and women to serve as priests, sisters, brothers, or deacons, so that the faithful may know Him, love Him and serve Him as well. **CHRIST THE KING**

CRUCIFIED RISEN COMING

# FROM THE PASTOR

Dear Parishioners:

This Sunday is the last day of our Liturgical year. The church reminds us that whatever happened in the past year, Jesus is the King. Hence the celebration of the **FEAST OF CHRIST THE KING!**

Pilate asked Jesus: "Are you the King of the Jews?" Jesus didn't answer, at least not directly. But Jesus didn't claim the title. Much to Pilate's confusion, Jesus admitted to being king, but not in a realm that Pilate could comprehend. Jesus had no need to cling to status. He knew why he was born and sent into the world. He claims that his only purpose in life was to testify to the truth.

If being a king means that nothing and no one can constrain you, then Jesus is the King of Kings because he knows what he is about and no one can take that away. He is not just king over other lesser kings and presidents; He is above the most powerful leader of this world: He is king of the universe. He controls the world. He is more than and above the pandemic that we experience today.

Ultimately, that is the point of this feast. Those who choose Christ as their king, buy into his preaching about the reign of God. As king, Jesus defined his realm as one in which the greatest is the one who serves the most.

Today's gospel proclaims: *Jesus loves us. Jesus freed us. Jesus made us to be a kingdom.* Will we participate? Will we do our part to be part of the Kingdom?

**MAY CHRIST THE KING BLESS US!**

God bless, Fr. Regulo Imperial, The Pastor

The daily readings and prayers are available in a package and can be picked up from our Ushers after every mass. Even if you have missed a few days, you can catch up.
